

36W LED Waterproof Outdoor Square Tube Light – SLEDOF277

High Performance Outdoor Lighting with robust waterproof protection. Energy Efficient & Long Life – low operating costs. Wide Voltage Range suitable for challenging electrical environments. Aesthetic & Durable Build for modern outdoor installations.

Technical Specifications

Product Name	36W LED Waterproof Outdoor Square Tube Light – SLEDOF277
Type	Outdoor LED Tube Light (Square Design)
Model / SKU	SLEDOF277
Wattage	36 W
Input Voltage	110–270 V AC (Wide voltage range for stable performance)
Luminous Output	> 3240 lumens — bright and uniform illumination
Colour Temperature	Cool Daylight White ~ 6500 K
Body Material	FRP (Fibre Reinforced Plastic) + Aluminium
Diffuser Material	Polycarbonate (UV-resistant & impact-resistant)
IP Rating	IP65 – Dust tight and protected against water jets (ideal for outdoor use)
Dimensions	1200 mm (Length) × 35 mm (Width)
Shape	Square Housing
Design	Slim & modern exterior-grade design
Mounting / Installation	Outdoor walls, parking areas, terraces, corridors, balconies, building perimeters
Applicable Use	Outdoor, semi-outdoor & industrial spaces
LED Light Source	Built-in LED
Driver	Internal high-efficiency driver for stable performance
Warranty	2 Years

Special Features

- High brightness output for wide area lighting
- Works well under unstable power conditions
- UV-resistant and durable construction
- Low maintenance & long service life

Key Selling Points for Customers

High Performance Outdoor Lighting Robust waterproof protection	Energy Efficient & Long Life Low operating costs
Wide Voltage Range Suitable for challenging electrical environments	Aesthetic & Durable Build For modern outdoor installations
